Dear Mark,

Thank you so much for your wonderful \$100 gift. Please believe me when I tell you that your generosity really makes a difference in the troubled lives of so many young people.

I truly wish you could be here to see the love and goodwill your gift will bring. Every time we help a child get his or her life together, I will think of your kindness and compassion, which make it all possible.

Please keep us in your prayers. You can be sure that you are in mine.

Gratefully,
