

Let student walk

With reference to your May 17 article titled "A very special walk," I understand the school wants to protect itself from liability and be certain that Damien Barmore remains unharmed in the "walk."

Damien, you serve as an example of the power of the human spirit. I commend you. May you serve to remind others that, "If you think you can, you can. If you think you can't, you're right."

May we all come to know that through adversity, we can test our strength. I thought about the wonderful parents you must have been blessed with.

Let Damien walk. It may just be one small step for man. One big step for mankind. Go get em!
