Dear Mark:

Thank you so much for your gift at the Red Lobster. That happens to be our favorite restaurant. My wife and I go there at least twice a month and get that little half salmon dinner in the evening. It's perfect and we love it. Thank you so very, very much.

You're a blessing Mark. I pray God richly blesses you and prospers all that you do for His glory. Thank you also for the wonderful poem. It was beautiful and I appreciate your thoughtfulness and kindness in sending this wonderful letter.

Sincerely yours,

Don Lyon,
